

Artikelnummer: 771000-6208  
(article number)

Stand: 19.08.2022  
(date)

Artikelbeschreibung: Monitor  
(article description)

Produktbezeichnung: Monitor universal 7" 2x Video Eingang  
(product name)

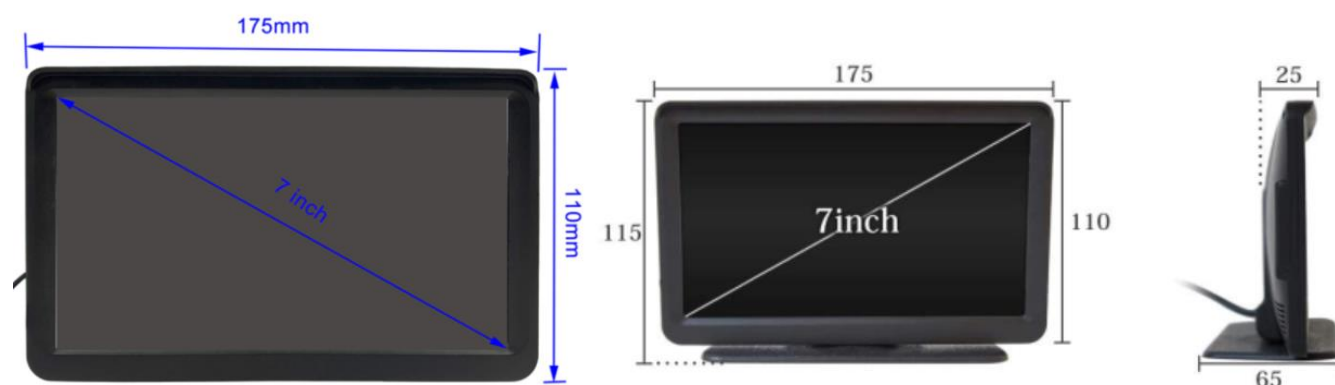

Version: 01  
(version no.)

Zeichnungsstand: 11.08.2022  
(drawing date)

Spezifikationen:  
(specifications)

|                |                                        |
|----------------|----------------------------------------|
| Type:          | 771000-6208                            |
| Display:       | TFT panel / 16:9 image                 |
| Brightness:    | 400 cd/m <sup>2</sup>                  |
| Resolution:    | 800 x RGB x 480                        |
| Input:         | 2 channel video RCA input, V2 priority |
| View angle:    | l/r: 70 / up: 50 / down: 70 degree     |
| Power voltage: | DC 12V + 10%                           |
