iF209E + CT9DAB Activation Guide

How to activate CT9DAB DAB module

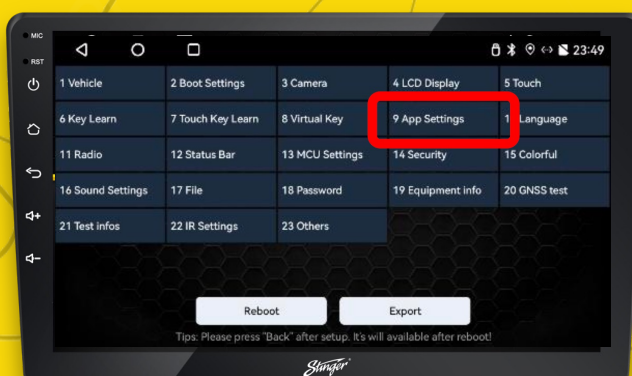

1. Select «Settings» in the HOME menu

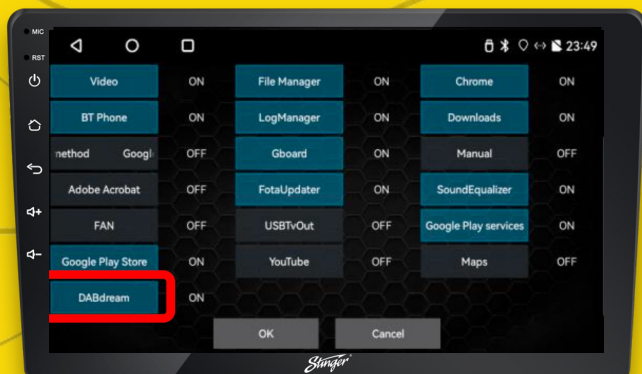

2. Select «Factory Mode»

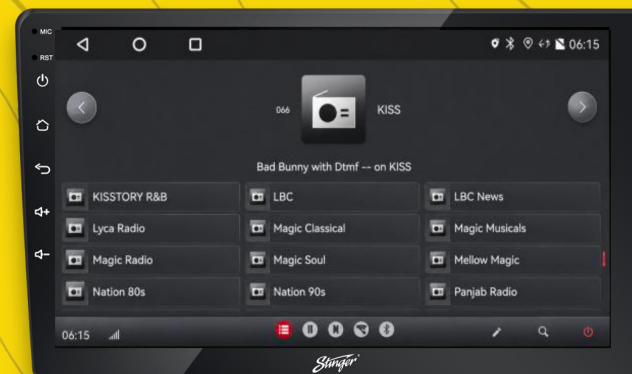

3. Type code «543210» and select OK

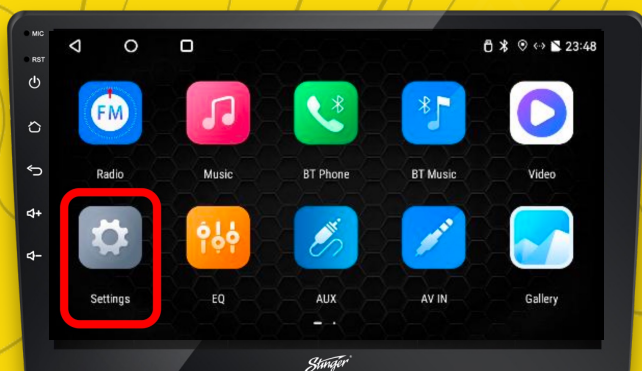

4. Select «App Settings»

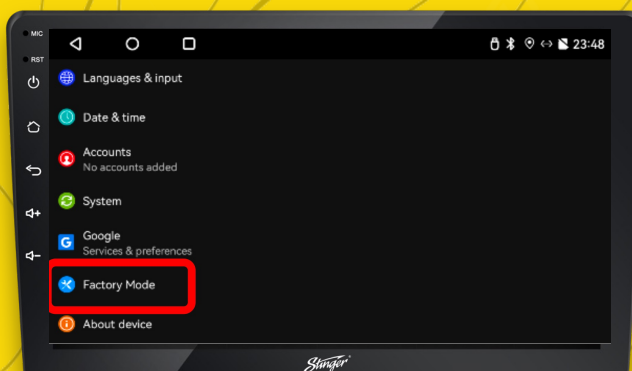

5. Activate the «DABdream» app

6. The DAB app will appear in the HOME menu. If a pop-up message appears, select «ALLOW»

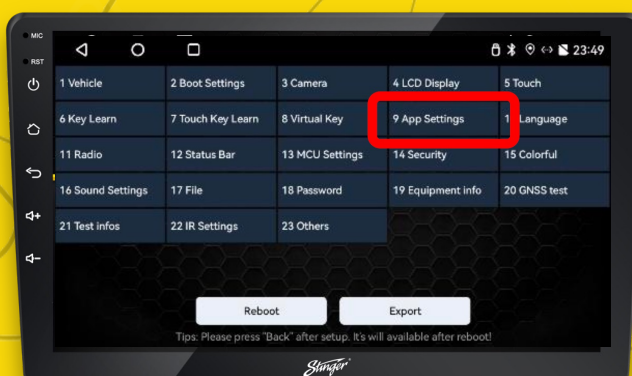

1. Im HOME-Menü, «Settings» wählen

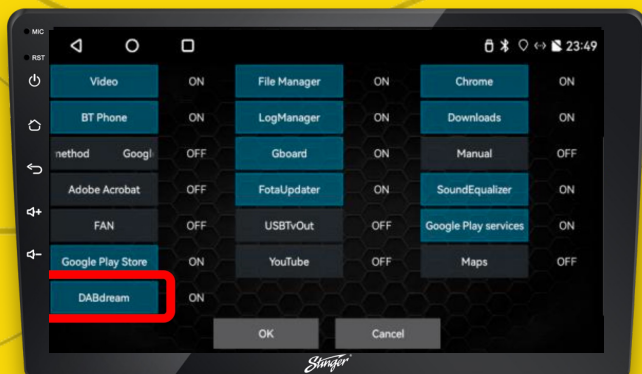

2. Auf «Factory Mode» drücken

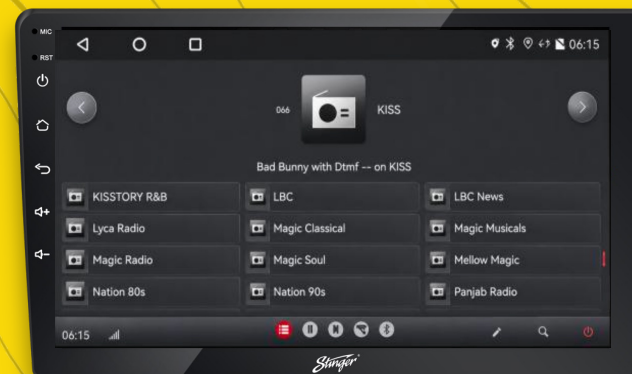

3. Code «543210» eingeben und OK drücken

4. Auf «App Settings» drücken

5. Die App «DABdream» auf ON stellen

6. Im Hauptmenü erscheint dann die DAB-App. Falls ein Pop-Up für Zugangsberechtigung erscheint, bitte auf «Allow» drücken.
